Students who ride or drive to school in a motor vehicle must observe all of the rules of the county board and the school. (Refer to the Weakley County Schools Student Handbook for guidelines concerning student transportation). Drivers must have a valid driver's license or be legally using a permit in order to drive a motor vehicle on the school campus. Students who drive to school must park in their designated parking space and leave the vehicle parked until the end of the school day or obtain permission from the principal to use the vehicle. Students must lock their doors when they exit their vehicle. Students are not to sit in cars at any time after arrival at school until the time of departure.

Drivers must drive their vehicle in a safe and orderly manner, observing the speed limit, using the proper exit, and waiting until all buses have left before leaving the school. Driving is a privilege not a right, failure to obey the above rules could result in loss of driving privilege.

Reminder, anytime vehicles are parked on school property by students or visitors they are subject to be searched for drugs, drug paraphernalia, or dangerous weapons. TCA 49-6-4204.

I/We have read and understand the rules, and I give permission for _____ to drive to school.
